17. Late Tenders

All Tenders are to be submitted on the Karnataka Public Procurement Portal within the last date and time indicated in the portal. Any late tenders will not be accepted either on Karnataka Public Procurement Portal or physically by the Licensor.

18. Modification and Withdrawal of Tenders

18.1 The Tenderer(s) may modify the contents of the Technical Tender or Financial Tender or withdraw its tender prior to deadline for submission of tenders in Karnataka Public Procurement Portal. For Tender modification, the Tender submitted by the Tenderer(s) within the last date and time for submission of Tender shall be considered as the Tender.

18.2 No tender may be modified subsequent to the deadline for submission of tenders.

18.3 The Tenderer(s) may withdraw his Tender by uploading their request before the last date and time of submission of Tenders. No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the original period of tender validity or extended period in pursuant to ITT Clause 14. Withdrawal of a tender during this interval shall result in forfeiture of the Earnest Money Deposit of such Tenderer(s).

E. Tender Opening and Evaluation of Tenders

19. Opening of Technical Tender

19.1 The Technical Tender shall be opened in the Karnataka Public Procurement Portal at the designated date and time, without requiring the presence of the Tenderer(s). In the event of the specified date of Technical Tender opening being declared a holiday, the Technical Tender shall be opened at the appointed time on the next working day.

19.2 List of submitted Tenders termed as RECEIVED and list of incomplete tenders termed as DRAFT shall be displayed in Karnataka Public Procurement Portal. All Tender payments successfully received shall be displayed. Only the Tenders which have been submitted in Karnataka Public Procurement Portal and whose Tender payments were successfully received in Karnataka Public Procurement Portal shall be opened. The name of the Tenderer(s) shall be published in the Karnataka Public Procurement Portal.

20. Confidential

20.1 The Licensor shall ensure the confidentiality of the process of tender evaluation until orders on the tenders are passed.

20.2 Information relating to the examination, clarification, evaluation and comparison of tenders and recommendations of award of License shall not be disclosed to Tenderer(s) or any other persons not officially concerned with such process until award of the successful Tenderer has been announced in the Karnataka Public Procurement Portal. Any effort by a Tenderer to influence, the Licensor in processing of Tenders or award decision may result in rejection of Tender.

21. Clarification of Tenders

21.1 During evaluation of tenders, the Licensor or the Tender Accepting Authority, or the Tender Scrutiny Committee may, at its discretion, seek bona fide clarifications from the Tenderer(s) relating to the Tenders submitted by them including the details of price. If the Tenderer(s) do not comply or respond by that date, the Licensor shall proceed with evaluation of such Tender(s) of Tenderer(s) based on the submissions made in their respective Tenders. The request for clarification and the response shall be in writing.

21.2 During the evaluation of tenders, the Licensor may at its discretion, seek justification for the License Fee quoted by the Tenderer(s) to assessing fulfilment of the required services. The Licensor shall not offer or permit any change in the price or substance of a Tender.

21.3 No substantive change to qualification information or to a submission, including changes aimed at making an unqualified Tenderer, qualified or an unresponsive submission, responsive shall be sought, offered or permitted under any circumstances.

22. Initial Examination of Tenders

22.1 The Licensor shall cause an initial examination of the Tenders submitted to determine their substantial responsiveness and following factors shall be considered, namely

i. Whether the Tenderer(s) meets the eligibility criteria laid down in the Tender Documents;
ii. Whether the crucial documents have been duly signed;
iii. Whether the requisite Earnest Money Deposit has been furnished;
iv. Whether the Tender is substantially responsive in terms with the Tender Documents without material deviation or reservation or inconsistent with the Licensor’s right or Tenderer(s)’ obligations under the License Agreement.

22.2 Tenders which on initial examination are found not to be substantially responsive under any of the clauses under Clause 22.1 above, may be rejected.

22.3 The Licensor/ Tender Scrutiny Committee may waive any minor informality or non-conformity or irregularity in a Tender, which does not constitute a material deviation, provided such a waiver does not prejudice or affect the relative ranking of any Tenderer.

23. Evaluation of Technical Tender

23.1 The Tender Accepting Authority may constitute a Tender Scrutiny Committee as it deems fit to carry out scrutiny and evaluation of Tenders strictly in accordance with the evaluation criteria indicated in Clause 5 of this Tender Document.

23.2 Tenderer(s) whose Technical Tenders are adjudged as responsive in terms of Clause 22 and who fulfil the eligibility and qualification conditions in accordance with Clauses 4.2 and 5 will be declared as qualified Tenderer(s) ("**Qualified Tenderer(s)**"). If Tenderer(s) do not meet the minimum eligibility and qualification criteria prescribed in Clauses 4.2 and 5, such Tenderer shall be disqualified. The Financial Tenders of only the Qualified Tenderer(s) shall be considered for opening in the Karnataka Public Procurement Portal and further evaluation in the manner set out in Clause 24 below.

23.3 The list of Qualified Tenderer(s) and the date, time of opening of Financial Tender of Qualified Tenderer(s) shall be published by the Licensor in the Karnataka Public Procurement Portal.

23.4 After the evaluation of the Technical Tender is completed, the Licensor shall also notify the details of the Tenderer(s) whose tenders are considered as non-responsive and not qualified in the Karnataka Public Procurement Portal. It shall also be indicated that their Financial Tender will not be opened.

24. Opening and Evaluation of Financial Tender

24.1 Financial Tender of all the Qualified Tenderer(s) will be opened in the Karnataka Public Procurement Portal at the designated date and time notified or any amendment to that. If the specified date of Financial Tender opening is declared a holiday subsequently the Financial Tenders shall be opened at the appointed time on the next working day.

24.2 The Tenderer who has submitted the Highest monthly License fee in Karnataka Public Procurement Portal shall be determined as the highest Tenderer.

25. Evaluation and Comparison of Tenders

25.1 The Licensor may evaluate and compare the Tenders, which have been determined to be substantially responsive. No Tender will be considered if the complete requirements is not included in the Tender.

25.2 The evaluation of Tender and award of License shall be completed, as far as possible, within the period for which the Tenders are held valid. The Licensor shall seek extension of the validity of Tenders from the Tenderer(s) for the completion of evaluation. In case the evaluation of Tenders and award of License is not completed within the extended period, all the Tenders shall be deemed to have become invalid and fresh Tenders may be called for.

25.3 In the event In the event that two or more Tenderer(s) quote the same amount of License Fee (the **"Tie Tenderers"**), the licensor shall opt for negotiation and the tenderer quoting highest amount shall be declared as the Successful Tenderer.

26. Contacting the Licensor

26.1 The Tenderer(s) shall not make attempts to establish unsolicited and unauthorized contact with the Tender Accepting Authority, the Licensor or Tender Scrutiny Committee after the opening of the Tender and prior to the notification of the Award and if any attempt by the Tenderer to bring to bear extraneous pressures on the Licensor shall be sufficient reason to disqualify the Tenderer.

27. Tenderer's Responsibility for Quotation

Although the details presented in this Tender Document have been compiled with reasonable care, it is the Tenderer(s) responsibility to ensure that the information provided is adequate and clearly understood. Claims and objections due to ignorance of existing conditions will not be considered after submission of the Tender and during the period of Services as per the License Agreement. Tenderer(s) are responsible for the Tender submitted and no relief or consideration can be given for errors and omissions.

F. Award of License

28. Evaluation and Award of Tenders

28.1 After evaluation of the Tenders pursuant to Clause 25 and subject to Clause 29 below, the License will be awarded to the successful Tenderer whose Tender has been determined to be substantially responsive and who has offered the Highest License Fee and has been determined as the highest evaluated tender.

28.2 The Letter of Allotment (LOA) shall be issued to the successful Tenderer. Before issuing such LOA, the Licensor will seek the Successful Tenderer to submit the originals of all such documents for verification whose scanned copies were submitted online along with the Technical Tender. If the Tenderer fails to provide originals or if there are any substantive discrepancies between such documents, the same shall be considered as corrupt and fraudulent practices_including misleading the Licensor and action shall be initiated to blacklist/debar such Tenderer in accordance with the provisions of the KTTP Act & Rules and amendments thereto.

29. Licensor's Right to Accept Any Tender and to Reject Any or All Tenders

29.1 The Licensor reserves the right to accept or reject any Tender or all Tenders, and to annul the selection process and reject all Tenders at any time prior to the award of License, without thereby incurring any liability to the affected Tenderer(s) or any obligation to inform the affected Tenderer(s) of the grounds for the Licensor's action and such action also caused to be published in the Karnataka Public Procurement Portal.

30. Publication of Award and Signing of License

30.1 The Tenderer whose Tender has been accepted will be notified by the Licensor prior to expiration of the Tender validity period through the Karnataka Public Procurement Portal and through email to the successful Tenderer. This Letter of Allotment (LOA) issued by the Licensor will state the sum that the Successful Tenderer will pay the Licensor in consideration of rights as prescribed in the License Agreement (hereinafter

and in the License Agreement called the "**License Fee**"). The Successful Tenderer shall confirm acceptance by returning a signed copy of the Letter of Intent.

30.2 The notification of award will constitute the formation of the License Agreement.

30.3 The License Agreement provided in the tender documents, incorporating all agreed terms and conditions between the Licensor and the successful Tenderer, will be sent by the Licensor duly completed and the successful Tenderer will sign the Contract and deliver it to the Licensor along with the Security Deposit in accordance with Clause 32. In case the successful Tenderer is a Consortium, the Lead Member of the Consortium shall execute the Contract Agreement.

31. Security Deposits

31.1 Within 14 (Fourteen) days of the receipt of LOA from the Licensor and pursuant to ITT Clause 13.7, the successful Tenderer shall furnish the Security Deposit for the amount specified in accordance with the Special Conditions of License Agreement.

31.2 Failure of the successful Tenderer to comply with the requirement of ITT Clause 30.3 or/and ITT Clause 31.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Earnest Money Deposit.

32. Corrupt or Fraudulent Practices

32.1 As per the Government's policy, that Tenderer(s)/ Suppliers/ Licensees are required to observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Government:

(i) Defines, for the purposes of this provision, the terms set forth as follows

a. "**Corrupt practice**" means the offering, giving, receiving or soliciting of anything of value to influence the action of the public official in the procurement process or in contract execution; and

b. "**Fraudulent practice**" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procurement Entity, and includes collusive practice among the Tenderer(s) either prior to or after tender submission, designed to establish tender prices at artificial non-competitive levels and to deprive the Procurement Entity of the benefits of free and open competition;

(ii) In pursuance to this policy of Government, an action may be initiated by the Licensor to blacklist/debar the Tenderer(s) from participating in the Tender or executing the License Agreement if it is determined that the firm has engaged in corrupt or/and fraudulent practices in competing for, or in executing, this contract in question in accordance with provisions of KTTP Act and Rules and amendments thereto.

iii. For recovery of any amount imposed as a penalty by the Licensor for irregularities committed by the Licensee.
iv. For recovery of any amount, which the Licensor becomes liable to pay Third party because of any default of the Licensee or any of his servant/agent.
v. For recovery of any payment/fine made by the Licensor under the order/judgment of any court/consumer forum or law enforcing agency or any person working on his behalf due to any default of the Licensee's or any of his servant/agent.
vi. For recovery of any payment due to the personnel deployed under this License Agreement by the Licensee as per the agreed rates within the specified timelines.
vii. For recovery of any payment from Licensee due to the Licensor under this License Agreement.

5.1.3 If this License Agreement expires or is Terminated due to any event other than a Licensee Event of Default, the Security Deposit shall subject to the Licensor's right to receive amounts from the Licensee, if any, under this License Agreement, be duly discharged and released to the Licensee without any interest at the end of 6 (six) months from the date of expiry of this License Agreement or Termination.

5.2 Operation and Maintenance Obligations

5.2.1 The Licensee shall operate, manage & maintain the Project Facilities entirely at its own cost as per Scope of Work set out at Schedule A of this License Agreement throughout the License Period. If the service level falls below the agreed minimum benchmark, it will be treated as an Event of Default by the Licensee and the Licensor may invoke the penalty clause or terminate the agreement as defined in the SCLA of this License Agreement.

5.2.2 The Licensor, acting reasonably and in accordance with the provisions of this License Agreement, determines that due to persistent breach of its obligations by the Licensee, the Licensor shall, without prejudice to and notwithstanding any other consequences provided therefore under this License Agreement, be entitled to terminate this License Agreement. For avoidance of doubt, persistent breach shall mean:

(i) Any breach of obligations by the Licensee which has not been remedied by the Licensee despite a Notice to Remedy in respect thereof issued by the Licensor;
(ii) Recurrence of a breach by the Licensee, during the pendency of Notice to Remedy by the Licensor requiring the Licensee to remedy a breach, and
(iii) Repeated occurrence of a breach, notwithstanding that earlier breaches have been remedied pursuant to Notice to Remedy or otherwise.

5.3 General Obligations

Subject to and on the terms and conditions of this License Agreement, the Licensee shall at its own cost and expense:

(a) Ensure that the Project Facilities are not used for any other activity/business not related to Project.
(b) Ensure no Prohibited Activities as per the prevailing Applicable Laws, rules and regulations shall be carried out.
(c) Obtain Applicable Permits that are deemed necessary for the Project and keep in force in conformity with the Applicable Laws.
(d) Pay all taxes, service charges and charges direct or indirect incidental thereof, including utility charges relating to the execution of the License Agreement and Operation & Maintenance of Project Facilities.
(e) Make efforts to maintain harmony and good industrial relations among the personnel employed in connection with the performance of its obligations under this License Agreement and shall be solely responsible for compliance with all labour laws and solely liable for all possible claims and employment related liabilities of its staff employed in relation with the Project. The Licensee shall indemnify the Licensor against any claims, damages, expenses or losses in this regard and in no case the Licensor shall be treated as employer;
(f) Responsible for all the security, cleanliness and safety aspects of the Project Facilities throughout the License Period.
(g) Pay all utility charges (including electricity & water consumption or any other charges, if applicable) relating to the successful operation and maintenance of the Project Facilities.

5.4 Specific Obligations

(a) The License Fee for the first month should be paid in advance prior to execution of the License Agreement. The License Fee for the subsequent months shall be paid to the Licensor on or before 5th day of every next month throughout the License Period.

(b) The Licensee shall ensure that there will not be any employment of children during the License Period for the purpose of operation and maintenance of the Project Facilities or any work that deprives children of their childhood, interferes with their ability to attend regular school, and that is mentally, physically, socially or morally dangerous and harmful.

(c) The Licensee shall maintain and/or repair the Project Facilities or any part thereof in conformity with the operation & maintenance requirements of this License Agreement. The Licensee shall carry out repair, restoration or re-instatement to the extent possible in such manner that the Project Facilities after such repair, restoration or re-instatement be as far as possible in the same condition as it were prior to such damage or destruction, normal wear and tear excepted.

5.5 Insurance

The Licensee shall at its cost and expense, purchase and maintain by due re-instatement or otherwise, such insurance as are necessary including but not limited to the risk and coverages as provided in SCLA:

(a) **Evidence of Insurance**

The Licensee shall, from time to time, shall maintain insurance policies (or appropriate endorsements, certifications or other satisfactory evidence of insurance).

(b) **Validity of Insurance**

The Licensee shall from time to time promptly pay insurance premium, keep the insurance policies in force and valid throughout the License Period.

5.6 No Breach of Obligations

The Licensee shall not be considered to be in breach of its obligations under this License Agreement nor shall it incur or suffer any liability if and to the extent performance of any of its obligations under this License Agreement is affected by or on account of any of the following:

i. Force Majeure Event, subject to Article 8.3 and
ii. The Licensor Event of Default.

ARTICLE 6 – LICENSOR'S OBLIGATIONS

In addition to and not in derogation or substitution of any of its other obligations under this License Agreement, the Licensor shall have the following obligations:

6.1 Specific Obligations

6.1.1 The Licensor shall provide in a timely manner all such authorizations which the Licensee may require or is obliged to seek from the Licensor under this License

Agreement, in connection with implementation of the Project and the performance of its obligations.

6.1.2 The Licensor shall subsequent to conducting of joint inspection of Project Facilities by both the Parties hand over to the Licensee, on as-is-where-is basis, peaceful physical possession of the Project Facilities

6.2 General Obligations

6.2.1 The Licensor shall where appropriate provide necessary assistance to the Licensee in securing Applicable Permits.

6.2.2 Observe and comply with all its obligations set forth in this License Agreement.

6.2.3 The Licensor reserves the right to intervene at any point throughout the License Period for all administrative, operation and maintenance activities of the Project Facilities.

ARTICLE 7 – FEE PAYMENT

7.1 License Fee

7.1.1 In consideration of the Rights hereby granted, the Licensee shall pay to the Licensor a License Fee as provided in SCLA ("**License Fee**") commencing from the Effective Date and thereon for rest of the License Period. The License Fee for the previous months shall be paid to the Licensor on or before 5th day (the "**Due Date**") of every subsequent month throughout the License Period.

7.1.2 The Licensee shall not be entitled to seek any reduction of License Fee, claim, damages, compensation or any other consideration from the Licensor on account of any reason.

7.1.3 Any delay in payment of the License Fee shall attract an interest for the delayed period at the rate of 18% (Eighteen per cent) per annum on the outstanding amount, which shall be due from the date of such payment till the amount is realized by the Licensor.
